With weekly bespoke CPD raising my practice and confidence over the last year and the encouragement and support of Trinity MAT's Senior Leadership Group, I applied for a Lead Teacher role. I've learnt a lot here and look forward to continuing to develop under the guidance of inspiring leaders.

**Lead Teacher**

Whilst hunting down an NQT post, I visited three schools within the MAT: I loved their ethos, vision and community feel so much that I applied for all three! All the NQTs here receive tailored weekly training along with the same CPD opportunities as experienced staff members. By the end of my first term I'd already been on a weekend away to London at the researchED conference!

## A warm welcome from Michael Gosling (Chief Executive Officer)

Dear applicant,

Thank you for your interest in being part of the flourishing Trinity Multi Academy Trust.

When Trinity Academy Halifax opened in Calderdale in 2010 as a sponsored academy, its mission was to address more than a decade of underperformance at secondary school level in the north Halifax area. It has delivered, being rated as 'outstanding' twice and continues to support students to achieve results which will transform their life chances.

In 2015, due to the outstanding success of the flagship school, the Trust was established and now covers primary to post-16 education with organisations ranging in size from 180 to 1800 students. The ethos of the Trust is simple – to ensure that young people in our care fulfil their potential. Everything we do is in pursuit of that one aim. Our foundations are secure, formed by our commitment to inclusive education, extremely high standards for all and never accepting that 'we can't'. Indeed, we strongly believe that we can, whatever the challenge might be.

I passionately believe that the reason for our success is the people who work for us, both teaching and support, and we invest heavily in them because they make the difference. If you want to be one of those people – one who seeks educational excellence, expects the highest of standards and would like to contribute to the ongoing success of an outstanding organisation, welcome to the Trinity Multi Academy Trust!

Yours faithfully,

Handwritten signature of Michael Gosling.

**Michael Gosling, CEO**

## Our roots and growth

Trinity Academy Halifax opened in the hills of north Calderdale in 2010. Its mission was to revolutionise the quality of secondary teaching and learning in the area after a decade of underperformance and exclusion. A universal commitment to excellence from the very start has seen this Church of England Academy transform behaviour and results and achieve two Ofsted Outstanding grades. It has also established the Trinity Teaching School Alliance, leads the West Yorkshire Maths Hub and is the home of White Rose Maths, whose schemes and professional development are used extensively nationwide and beyond.

Trinity Multi Academy Trust (MAT) was formed in 2015. A Church of England Trust, we welcome schools of all faiths and none. We believe that every child can succeed, and having proved what works in our flagship academy, we focus on transforming struggling schools into places where children love learning and teachers teach with passion. We control our growth with care so that every new member school receives the maximum benefits. Today, the MAT embraces one sixth form, three secondary and three primary academies. Two brand new secondary schools will join us in 2021 as Trinity Academy Barnsley and Trinity Academy Leeds. Although every Trinity MAT academy is united by common values and a commitment to teaching and learning excellence, each one is also a unique part of its local community, with its own distinct character.

# Why work at Trinity MAT?

Whether you're an NQT, RQT, established teacher, a member of our support teams or a leader, working for a MAT offers you greater opportunities to network, share good practice and progress.

However, at Trinity MAT our amazing package of valuable benefits is unique: we offer our staff an exceptional and fulfilling career with all the support, resources and development you could wish for.

## Walk in and teach!

Because teaching and learning are our priorities, we invest heavily in superb CPD at every stage of your career to develop and share your skills and experience and to reduce your workload. What's more, our robust **Behaviour for Learning Policy** operates effectively across the Trust with excellent results. These two foundations of high quality CPD and behaviour management are pivotal in creating calm, orderly and effective learning environments across our academies, so you can literally walk into your class and start teaching.

## A connected, collaborative family

As a team member at Trinity MAT, you're part of a close community which makes the most of every opportunity to share good practice, new ideas and innovations at any level and any phase. Whatever the challenge you face, you're never alone: there's always someone in the MAT who can help or advise. We also hold MAT-wide events which are wonderful opportunities to network and learn with your professional family!

## Superbly resourced

All our classrooms have the latest technology and wherever resources are needed, they are supplied. Every one of our academies is a light, bright and pleasant working environment.

## First-class leadership

Led by National Leader in Education, Michael Gosling, the MAT places great value in developing leadership excellence throughout every academy.

## Creative extra-curricular programmes

Our learners benefit not only from attractive enrichment options but also from a great range of visits, full-day university experiences, events and residential trips in the UK and beyond.

## World-class initiatives and opportunities

As well as the many CPD programmes across the MAT, you can progress your skills, knowledge, networks and career via additional Trinity MAT initiatives such as the Trinity Teaching School Alliance, White Rose Maths, the West Yorkshire Maths Hub (which we lead) and attendance at NQT Conferences and Research Education events.

In just a few years I've been given the CPD and multi-school experience I needed to progress from a teacher role to Head of English and I'm now a senior leader. My MAT colleagues have also supported, challenged and pushed me to be the best leader I can be.

# Firm foundations for teaching and learning

“

Across the MAT there are brilliant people in all positions who support you and make your job easier. There's a really positive staff attitude that allows you to become better at your job and thrive in a supportive environment.

**Departmental Head** —————”

The experience of being a working member of the Trinity MAT community comprises many unique and special elements. For us, the three elements below are fundamental in creating an environment in which both staff and students can excel and be happy.

### **Professional development**

Trinity MAT invests heavily every year in ensuring that teaching and learning is of the highest quality. Six NLEs and a superb team of leaders, Lead Teachers and Assistant Lead Teachers support curriculum-wide, 'quality first' teaching for all staff. Every teacher can access our core CPD provision which runs every Monday at 14.30 and there are many CPD and cross-Trust opportunities to enrich your experience and develop your career at every level.

Our NQTs are well supported by our carefully designed induction programme which runs in conjunction with Trinity Teaching School Alliance. The programme exceeds all the statutory learning and support requirements for your vital first teaching year. As well as having a mentor, scheduled CPD sessions and external training events, you'll also have weekly sessions with all MAT NQTs and Lead Teacher support.

### **Behaviour for Learning**

We expect exemplary behaviour throughout Trinity MAT, and our Behaviour for Learning (BfL) policy, which runs consistently across all our academies, is fundamental in realising this ambition. The policy ensures that low-level disruption is managed quickly and effectively, allowing teachers to deliver high quality lessons to calm, engaged and motivated students.

Strong relationships between staff and students help to create great working environments Trust-wide. However, when a problem arises, our team of non-teaching pastoral specialists supports teachers in dealing with, following up and resolving behavioural issues. A dedicated attendance team also helps keep student absence rates low and promotes better learning.

### **Wellbeing**

At Trinity MAT, all our staff can enjoy excellent, well-resourced working environments, great support and development, access to professional help where needed and a healthy work-life balance. While our people are dedicated, hardworking professionals, we actively reduce workload wherever possible. We have a free, independent and confidential counselling service which staff can access without any need to notify HR or their line manager.

Although we expect much of our staff, we also celebrate and value their work. This, together with well-behaved, motivated students and bright, positive facilities, fills Trinity MAT with great, feel-good workplaces!

# Trinity Teaching School Alliance

“

Excellent course delivered by an excellent practitioner who is clearly passionate about helping other educators.

The Trinity Teaching School Alliance (TTSA) is a group of over 40 partner schools (both primary and secondary) which is led by its designated teaching school, Trinity Academy Halifax.

The MAT's flagship school – graded 'Outstanding' by Ofsted

## Trinity Academy Halifax

- Consistently the highest performing secondary school in Halifax
- Progress 8 score: +0.62
- GCSE results in the top 5% similar schools in the UK

Trinity Academy Halifax holds an astonishing passion for its students. It gives me the pleasure of excellent resources and CPD support to bring out the best in my students and watch as their love of the subject develops.

**Arts teacher**

Trinity Academy Halifax is the founding school in the Trinity Multi Academy Trust. It was formed in 2010 to provide a fresh new start to students in an area where secondary schools and learners had struggled and underperformed for more than a decade.

Since then, the Academy has secured two Ofsted 'Outstanding' judgements and is:

- a National Support School
- a National Teaching School (leading the Trinity Teaching School Alliance)
- a Maths Hub of Excellence (leading the West Yorkshire Maths Hub)
- the home of the globally renowned White Rose Maths
- accredited as a World Class School.

An inspiring place to work and learn, Trinity Academy Halifax (TAH) moved into its fabulous new building in September 2012 and its world-class facilities look and feel just as attractive and vibrant today.

Even more importantly, excellence in teaching and learning is the academy's driving force, a commitment supported by:

1. effective implementation of its Behaviour for Learning Policy, allowing teachers to teach and learners to learn efficiently in a positive and collaborative environment
2. a unique and exciting CPD programme which encourages and develops inspirational teaching and support, and allows every team member to progress and thrive throughout their career.

TAH is a Church of England academy. Its core Christian values of empathy, honesty, respect and responsibility influence every part of academy life, from its proactive pastoral system to student behaviour and the celebration of success.

# Trinity Academy Sowerby Bridge

Trinity Academy Sowerby Bridge (TASB) joined the MAT in September 2017, heralding a new and exciting journey for the school and its local community. Initially graded inadequate by Ofsted in 2016 and ranking in the lowest 15% of all UK schools, the previously failing high school soon began to flourish. After just two years, it stands proudly in the top 1% of the most improved schools in the country.

We have invested significantly in the professional development of our staff, offering bespoke CPD programmes for teaching and support staff at all stages of their career. These include a New Staff Induction Programme, which runs throughout the first term for any staff joining the academy, including 10 Minute Tip coaches for the duration of the programme.

TASB also greatly values its Recently Qualified Teachers (RQTs), who also receive regular mentor support as well as opportunities to engage in the latest education research. Every single one of our RQTs reported that they experienced good support and guidance during their programme, which had a direct positive impact on their practice.

The Teaching & Learning team lead weekly bespoke CPD, including weekly Practice, for all teaching staff, Teaching Assistants, Learning Mentors and Curriculum Tutors, all of which is underpinned by the latest educational research.

In addition to this, curriculum- and subject-focused CPD is led weekly within the timetable by Curriculum Leaders. All leaders, curricular and pastoral, receive additional weekly leadership development by line managers and through regular group CPD sessions led by SLT. This is all designed to attract and retain the very best people who will, in turn, create the best outcomes for our students, in order that they leave us feeling Known, Valued and Understood.

## Trinity Academy Sowerby Bridge

- Progress 8 score: from -0/47 in 2017, our score is +0.61 in 2019
- 16th most improved school in the country (of 3,269 published school scores)

100% of new staff agreed that their induction was informative, provided key information needed and that there was good support from their mentor and other colleagues.

## Cathedral Academy Wakefield

- Progress 8 score (2019): +0.78
- In 2016 our secondary school was ranked 14th of 18 in Wakefield for progress. Since 2018 we are the highest performing academy in the authority

Pupils behave well at all times, both in and out of classrooms. Bullying is rare and the school is a friendly, cohesive environment for pupils to learn in.

Ofsted

Set in leafy grounds on the edge of the city, Cathedral Academy is a vibrant and inspirational place in which to work and learn. The only Church of England secondary school in Wakefield, we are also delighted to be the 2019 TES Secondary School of the Year.

This fantastic award is all the more exciting because just five years ago, our school was struggling both financially and educationally: numbers were falling and achievement was far too low. However, working with Trinity MAT since 2016 has enabled us to transform the lives and futures of our students and all those who work with them.

Our Academy is now a place of high expectations and excellent progress that places us comfortably in the top 5% of UK secondary schools. Behaviour is excellent and achievement is high. Guided by the MAT's core values and our own strong Christian ethos, we work hard to ensure our students become happy, fulfilled and well-rounded people. Innovative initiatives such as Masters of Recall and CAPA Juniors (Performing Arts pathway) help maximise opportunity for every child.

### Be part of our great story!

Oversubscribed for the past few years, Cathedral Academy is absolute proof that inspired guidance, hard work, and belief can effect the most amazing change. If you are (or soon will be) a qualified professional with the passion and talent to make an extraordinary difference to your students and colleagues, please get in touch. A move to Cathedral Academy could be the best you ever make!

The CPD opportunities for me as an NQT are fantastic and include relevant, bespoke sessions taught by experts. For example, it's been really effective for developing my marking as well as talk and questioning in lessons. The Trinity MAT NQT event is also a great way to network and pick up new ideas: it's just another way in which the MAT supports NQTs.
