

I'm delighted to be writing this blog in such a strong position. This edition's purpose is to let everyone see the amazing group of teachers we have recently added to our earlier additions to #TeamTrinity.

Mark Allen | Principal

It is a privilege as a Principal to hold recruitment events where I can listen to and meet professionals who are so committed to the job, to children and wanting to be part of our community. I hope you enjoy reading each colleagues introduction and we all look forward to meeting in person next year.

National offer day is here! We are extremely excited that we finally know who our founding members are and can't wait to start this incredible journey with you all. September can't come soon enough! Please send us an email if you have any questions or would like to chat about your Year 7 place. We'd love to hear from you!

Curriculum
Leader of
English |
Amy Harkins

I am extremely thrilled to join Team Trinity and to start my role as Curriculum Leader of English at Trinity Academy Barnsley. I have worked in Barnsley for most of my career and I am really looking forward to being a part of the community alongside the founding cohort of students. Having studied both English Language and Literature at University, I am extremely passionate about my subject.

Curriculum
Leader
Humanities |
Shona Easton

I am so excited to be part of Trinity Barnsley, in my role as Curriculum Leader of the Humanities department. Being Barnsley born and bred I am passionate about bringing local history to life and ensuring young people from this area have incredible opportunities both inside and outside of the classroom. Most recently I have acted as a professional mentor for trainee teachers, it has been incredible to work with talented individuals in the early stages of their career.

Easter competition

I would like to launch a new competition as we lead up to Easter. I am asking our children to come up with a STEM related Easter egg design competition. This can be either decorating a real (hard boiled!) egg or it can be created electronically. Entries must include a photo of the design with the child who created it and brief explanation of what STEM idea it relates to. Our winner will be chosen just before the Easter break, so the deadline is Thursday 25th April. The winner will be presented with a £20 Amazon voucher and a giant Easter Egg. Good luck and I can't wait to see the designs - as before please send them to the contact us email address:

contactus@barnsley.trinitymat.org

NEW! Team members

Humanities
teacher |
Simon Davies

I am incredibly privileged, proud and excited to be a founding member of the teaching cohort, having been appointed the teacher of Humanities. Currently, I am completing a PGDE at the University of Sheffield, come September I will be embarking on a career in teaching. This is extra special for me, as not only do I have the joy of a brand new school, I know this school will have a tremendous impact on the Barnsley community.

Maths teacher |
**Hayley
Millthorpe**

September cannot come fast enough for me! I am incredibly excited to meet the first cohort of students and take the first steps on this amazing journey. I began teaching in 2014 with most of my experience being in Barnsley schools. I have worked extensively with year 7 and 8 whilst also teaching GCSE classes and marking GCSE exams.

**We are delighted
to welcome such
a fantastic group
of teachers to
#TEAMTRINITY**

Mark Allen | Principal

Subject Co-ordinator MFL |
Jennie Skitt

I am really excited at being involved in the development of something so new and can't wait to meet our first cohort at TAB. I have been teaching in Sheffield for 10 years and for 9 years have been Subject Leader of French. During my time at my current school I have been involved in a number of different areas of school; lead coach, NQT and ITT mentor and a secondment as Assistant Headteacher (Teaching and Learning) and I look forward to bringing these skills with me.
