

## Trinity Multi-Academy Trust Scheme of Delegated Authority

### KEY

Level 0: Members  
 Level 1: Board of Directors/Trustees (BoD)  
 Level 2: CEO/Accounting Officer  
 Level 3: Local Governing Body (LGB)  
 Level 4: A sub-group of the LGB  
 Level 5: Principal/Headteacher.

Note: Although decisions may be delegated, the members as a whole remain responsible for any decision made under delegation. Although the term 'academy' is used it should be noted that it is interchangeable with free school, school or any other educational organisation.

The Scheme of Delegated Authority (SoDA) is bespoke to each institution and is based on the assumption that an institution is currently rated a '1' or '2' in their most recent Ofsted inspection. If an institution is a '3' or '4' the members or BoD have the right to remove this level of autonomy for the benefit of the overall trust.

*\*A list of all current Trinity MAT and Academy policies is provided in Annex A (and copies of these policies are available from the relevant website). Where an academy is being incorporated into the trust then existing policies will remain in place until harmonisation with the trust and these will be available locally.*

*For clarity and ease of communication, certain key policies are still included in the SoDA e.g. Admissions, Charging and Remissions, Health and Safety and Sex Education.*

Further notes:

Conflicts of Interests Procedures

- All members of staff or Governors that join the trust are asked to sign a declaration of business and pecuniary interests form prior to starting their employment. Senior Leaders, Governors, Directors and Members are asked to complete a form annually and to inform the Chief Financial Officer if their business interests change within the year. The Chief Financial Officer will collate new registers as required upon new guidance from the ESFA or any other changes that may affect this process.

Connected Party Provisions

- All connected party transactions are completed at arm's length and can only be completed as per ESFA guidelines on an 'at cost' quote basis.

Outsourced Tendering Process

- If the trust outsources a tendering process to a third party it will only be done if it feels the level of skills and expertise would bring better knowledge about the requirements and more informed skillset regarding pricing negotiations. The Chief Financial Officer is ultimately responsible for deciding to outsource and will be the final decision maker on who to proceed the order with following informed meetings from the third party.

ESFA consent

- The academy should seek confirmation from the ESFA if it is ever unsure whether consent is required. Certain projects like capital investments, legislative consents and any planning permissions will be sought by the ESFA if required.

Three Quote Policy

- The Chief Financial Officer and the Accounting Officer of the Academy Trust have the authority to overrule the three quote rule if three quotes can't be identified due to the nature of the requirement (for example using the Times Educational Supplement to advertise teacher posts) or already committed services (for example ADT providing access, CCTV and intruder alarms, therefore using another provider to add to these services would require a full building change in these areas).

General Data Protection Regulation (GDPR)

- The Trust Data Protection Officer (DPO) shall be responsible for ensuring compliance with all applicable data protection laws and regulations, including but not limited to the General Data Protection Regulation (GDPR). Any contract or agreement involving the sharing of personal data must be reviewed and approved by the DPO prior to execution. The DPO shall have the authority to approve or require modifications to any contract or agreement related to data protection.
