

# We are officially **OUTSTANDING**

**We are so proud to share with you all that our school was awarded Outstanding in all areas by Ofsted at our very first Section 5 inspection, held on 14<sup>th</sup> and 15<sup>th</sup> May.**

The sense of pride we feel is driven by the pleasure we have in serving our community and the journey we have all been on together. To achieve this in our temporary home is testament to the exceptional work of the staff and the children. It reinforces the belief we have in the way we do things at Trinity Academy St Edward's and cements our place as a popular and oversubscribed school in Barnsley.

**We are the only mainstream secondary school to be graded Outstanding in all areas by Ofsted EVER in Barnsley.**

This report is a reflection of our wonderful children and community, and it shows how hard work and resilience not only strengthen character but lead to exceptional outcomes. There are no limits to what our World Class education will lead to in our new building from September. We want to say a huge thank you to all of our families, supporters, wider stakeholders and of course our World Class Trust for being a part of this journey with us and helping to drive our ambition for the young people of Barnsley. What an accolade this is.
