UPDATE

26th June 2026

PRINCIPAL'S UPDATE

Another amazing week passes by, the children have been a real credit to themselves and their parents this week. It has been warm but we are so fortunate to have our new building where internal temperatures have been cooler than outside. Children have come in and carried on with their studies and approached it superbly. Thank you to our tremendous, professional staff who have done the same.

Thursday night was a truly heart-warming occasion as our Founding Cohort attended their prom at Tankersley Manor. They danced late into the evening until their feet hurt. It was wonderful to see everyone having such an incredible time.

Another legacy has now begun, and following the recent launch of The Climb with our Year 10 students and their parents, they too are now starting their own journey towards that special Prom night.

The last few weeks are incredibly busy with so many trips, events and rewards evenings. I'm looking forward to celebrating with all of our Y7 cohort, who kick start proceedings on their evenings next week.

Have a wonderful weekend.

UPDATE

Worship theme of the week – Refugee Week (20-26/06)
Worship word of the week – Refuge
Core value of the week - Empathy
British Value - Individual liberty
Biblical reference of the week – Lev 19:33-3

Y11 Prom Celebration

We hope that our Y11s had a fantastic evening at our first ever TASE prom. Everyone looked wonderful!

There were awards, lots of fun, laughter and dancing all night long.

Please keep an eye on our social media for more photos but in the meantime we would like to present our TASE Prom King and Prom Queen 2026!

UPDATE

Platinum Masters of Recall Awards

It was wonderful to welcome the parents of Philip, Eve and Lucas into school to celebrate their Platinum Masters of Recall awards and to unveil their red stars for 100 100% scores since Y7.

Well done! We are so proud of you all for such a fantastic achievement!

Sports Leadership

AJ, Amelia, Ruby and Stefan showed superb leadership skills when supporting Kereforth Primary School with their sports day this week.

They all received lots of positive feedback for the enthusiam and professionalism they showed at the event. Another lovely example of how we value and promote sports leadership at TASE.

Think Forensic

On Tuesday a group of Trinity Scholars from Y8 and Y9 visited Think Forensic in Huddersfield for a unique opportunity to discover the world of CSI and forensics.

They worked alongside professionals from a crime investigation background and had the opportunity to play the role of CSIs and detectives, use real life forensic techniques, authentic CSI equipment and communicate via radios to solve the crime.

Celebration Assemblies

It was a pleasure to see so many children receive awards at their celebration assemblies this week. Lots of student heroes, achievement point badges, certificates and the SLO awards were given out. Due to the inset day Y8 will be holding their assembly next week and we will share their photos with you then.

Summer Showcase – Tickets Now Available

We are delighted to announce that tickets for our Summer Showcase are now available!

Join us on Thursday 9th July at 6:30pm for an evening celebrating the incredible talent, creativity and hard work of our students across their musical journey this year.

Tickets are free of charge, with an optional opportunity to make a donation on the night. Any contributions will go directly towards enhancing opportunities and resources within the performing arts department.

We would love to see as many families as possible there to support our students and enjoy what promises to be a fantastic evening. Please reserve your tickets via

https://buytickets.at/trinityacademystedwards/2272532

DJ Skills

If your child is interested in learning some new skills please see the poster below about a class for young people who would like to learn DJ skills, run by Barnsley Music Service.

STEM Engineering Drop Down Day

We are delighted to announce that our annual STEM Engineering Drop Down Day will take place on Wednesday, 8th July 2026, in our school sports hall. This event has become a highlight of our academic calendar, providing students with a valuable opportunity to engage with professionals from the engineering and STEM industries and we are looking for volunteers to help make this event another great success.

Please see our poster below for more information.
